

WE WRAP YOUR SURPRISES

About Us

Being a pioneer in corporate events and family gatherings since 2004, we have added another feather in our cap. We are here to make your birthdays more memorable and enjoyable. Our in house creative team will customize your birthday parties with themes that suit all age groups-from a tiny toddler to curious teenagers to fun-loving elder members of the family.

How we do

With a comprehensive network of associated vendors, caterers and venues, we offer clients a complete set of services for birthday parties of any type, size and scope.

Our Services

As a birthday planner, we offer a range of services that allow you to design the perfect event while choosing what is best for you, your family or your team.

Themed Birthdays

Live in a fairytale world for an evening or relive the disco era. All of this is possible - indeed, easy - with designs, decorations, tableware, favors and more from the party genie.

Venue Selection

We continuously seek new, exclusive and exciting venues for our clients. We'll find the perfect picturesque venue for your birthdays.

Concept & Design

We conceptualize, create and design a cohesive look for your birthdays. Our team can create tailor-made invitations, party props, party favors, etc.

Happy Production

We execute the design through a full scope of planning and production services to deliver your dream flawlessly. We handle the entrance arches, backdrops, acoustic & lighting set ups, furniture, etc.

Birthday Party Styling

Each birthday that we design and produce, from large scale to more intimate private parties, has an original and tailored style.

Milestone Birthdays

It's not about the age but celebrating a person's birthday who is close to our heart matters.

Emcee

We put together one of our top-notch, seasoned mc's with our client, providing a one of a kind party for them and their guests.

Entertainment

Our team strives to create highly interactive entertainment experiences geared towards the specific ages at every birthday party.

E-Invite

We design e-invite featuring the theme of your choice to delight your guests.

Catering Services

The party genie brings on the plate for all birthdays at the right time at the right place.

Photography & Videography

We provide you with a professional photographer/videographer to capture the magical moment of your event so you can relive them over and over.
